

OFFICIAL RESPONSES TO VENDOR QUESTIONS #2
RFB-2022-GLENCLIFF-05-CLEAN

No.	Question	Answer
1.	General Can the selected Bidder run hoses through the windows in the storage area between the tank room and the loading dock?	Yes.
2.	General Can the selected Bidder run a curtain down the hallway outside the tank room?	No, but the door to the tank room can be curtained off. See Job Site Images 1 and 3.
3.	General Is the water stored in the tank used to supply potable water?	No. The water stored in the tank is used for fire suppression only.
4.	General Can the selected Bidder, upon approval by the Department, access the site after work is completed to clean up and remove equipment?	Yes.
